

# Transportation Project Search

Find transportation projects from ODOT's project database. This search includes projects with (1) funding categories of Ellis Multilane/Major Rehab, STIP, Major Bridge, Safety HSP, Safety SRTS, Local Programs, and TRAC , (2) are completed, current or future projects with committed funding, and (3) have a valid work location. The information provided here are an overview of the project information, and not a comprehensive view of the project database. The project information available in TIMS is updated on a nightly basis. Projects (PIDs) with multiple work locations will result with multiple records.
